

Dear Sir or Madam:

We are pleased to announce that Southside Electric Cooperative will host its **Opportunity Fund Golf Classic** on Thursday, **May 25, 2023**, at [The Lake Chesdin Golf Course](#) in Chesterfield, VA.

One hundred percent of the proceeds from this tournament are awarded as scholarships by the Southside Opportunity Fund, founded in 2016. This 501(c)(3) nonprofit was established to provide opportunities to students across our service territory.

Since 2016, SOF has awarded 141 scholarships totaling \$163,000 to some very deserving students. This success would not have been possible without the gracious support of our sponsors and participants.

We invite you to support the Southside Opportunity Fund by serving as a sponsor or through participation in the tournament on a team. We have various sponsorship and team packages available.

We will also gladly accept prize donations, including goods & services or gift cards, with proper recognition given to all donors. If you are unable to attend the event, but want to support our fund, prize donations would be a great opportunity to promote your business or organization.

We thank you for considering this request. With your help, the Southside Opportunity Fund will continue to provide scholarship opportunities for high school students across the 18 counties we serve. We look forward to hearing from you, and, of course, we appreciate any support your company or organization can provide.

Feel free to contact our Community Relations Coordinator, **Joy Stump**, at Joy.Stump@sec.coop or (434) 645-3219 with any questions.

Sincerely,

Sheena Lankford
Vice President, Member Engagement and Communications
